

# ONONDAGA COUNTY COMMUNITY DEVELOPMENT

## Onondaga County

Program Name: Onondaga County RESTORE Program  
Location: Municipalities not currently served by RESTORE  
Number of Units: 16  
**RESTORE Award: \$125,000**

**Onondaga County Community Development** will administer a program to provide emergency home repairs for elderly homeowners.

Onondaga County Community Development Division (CDD) will assist a minimum of 16 owner-occupied units and an estimated 24 individuals through the RESTORE Program within unserved areas of Onondaga County. These units will be located in municipalities not currently served by other RESTORE awardees in Onondaga County. Emergency repairs may include, but are not limited to, repair or replacement of plumbing, heating or electrical systems and/or structural components (roofs, foundations, porches, etc.). Only conditions which pose an imminent threat to life, health, or safety of the elderly homeowner will be considered to meet the emergency condition criteria. Examples include frozen water pipes, failed septic system, cracked heat exchanger in a furnace, severe roof leaking, caved in foundation, leaking gas line, or flooding.

Additional funding will be provided by HUD Home Program Dollars (Entitlement) and HUD Lead-Based Paint Hazard Control Grant.
